

Alice Cardwell

Alice's experience of the health system comes primarily as a consumer and parent of consumers, living rurally.

Alice has spent all of her working career as a youth health advocate. This included being an active member of the West Coast District Health Board Child and Youth Health Committee and the West Coast representative for NZAAHD (NZ Aotearoa Adolescent Health & Development) for 5 years.

Alice was elected onto the National Council for NZAAHD for 4 years. Alice is a mother of 3 young children. She is also the Secretary of Coast Guard Lake Brunner and does the funding applications for the Greymouth Kindergarten.

Alice is committed to improving consumer care for children, young people, maternity and those living rurally.
