

HealthInfo West Coast is an easy-to-use health information website, just for the people of the West Coast.

You can trust HealthInfo, as it's all written or approved by local health professionals.

It includes information about:

- health conditions and diseases
- local support groups and organisations
- medications
- medical tests and procedures
- tips for staying fit and well

And because it's continually updated, you can be confident HealthInfo has up-to-date health information, right there when you need it.
